

# Pinner CC Colts Survey 2017

# What are the key benefits for your child of playing cricket at Pinner (please rank, where 1 is the most important)?

Answered: 21 Skipped: 1

Please rate (where 1 is extremely unhappy and 10 is very happy) how your child (or children) have enjoyed their cricket this year.

Answered: 22 Skipped: 0

## Comments

enjoyed playing in the adults games most as the standard is higher

Enjoyable way to introduce game to young children

Enjoyed the bowling opportunities that were given. Would like to get some more batting opportunities also but generally happy with the opportunities given so far..

cancellations should be better communicated

My son had a great time playing 8-a-side tournaments.

It was a very enjoyable first experience of cricket for Grace. Chasing the ball and learning basic cricket skills

enjoyed every session that he attended.

10 my child has remained motivated

Personal development and achievement of Pechy award.

was happy that he was selected for all games

Please rate the coaching your child has received. Did it meet your expectations?.

Answered: 22 Skipped: 0

Good. I would like to see more help with developing leg spin bowling

match days should be better advertised

Coaching was great, especially Nadeem.

Coaching was good,he enjoyed

Thought the coaching was very good. It was a starter course so it was good to do a bit of everything without it being too intense.

Perhaps more coaching on individual aspects of the sport

Nadeem was excellent throughout. However, I felt the coaching was massively understaffed for All stars. The first session that we attended had lots of coaches helping out. Would have liked to see similar number turning out for other sessions.

Coaches are really friendly (sometimes too friendly) and need to be a bit more competitive. Especially in the U10s.

10 train more

Possibly focus on his development needs and provide more 1-2-1 coaching

Please rate the level of communication (e.g. face to face, text, e-mail, teamer etc) received from the colts coaching team

## Comments

Excellent

nice level but can be improved

Great

Communication was good

Email was good - whatsapp group could be thought about although possibly issue around giving away mobile numbers to anyone

Whatsapp messages has improved the weekly communication. Being new to this club, it 's taken me a while to pick up general and specific comms.

NO changes needed, the U13 did not have a WhatsApp group

10 social cultural events

Teamer when it works!

Earlier notification of cancellation would help, text messages would be quicker.

Plenty of notice about the games (and cancellations too)

## How satisfied are you that team selection for colts fixtures is fair and justifiable?

Answered: 22 Skipped: 0

### Comments

It has been fair so far.

Their team was a good team, winning so many matches

Good team work well organised dedicated .

Perhaps more consistency with the batting order

What could be done to improve the off-field or social activities for colts, e.g. parents/ colts matches, trips to cricket grounds, quiz nights. Please suggest events.

parents v colts match. it would get more parents involved overall i think.

Trips to places like lords to have one off sessions

Parent/ colt matches

More matches

Parents kids matches

Celebration event at end of all stars encouraging all parents to have a drink in club whilst child receives certificate? Presentation ceremony sort of thingy

curry cook offs, bake offs

It's hard to break into - what feels like - an established group of parents.

Make the club house more desirable

quiz nights

Organising something at the scheduled time of practise, as it is difficult to make time for other events

All teams should have a post season social event.

More events different cultures.

Trips to cricket games

Outings to real games, County or National level

Better colts participation at events held

Parent/colt matches

## Which of the following interests you?

Answered: 22 Skipped: 0

Please provide any other comments on how you believe that the Club could be improved for Colts cricket. e.g. More equipment, more colts coaches, social events etc.

second hand swap shop/donation for used/reusable kit?

More colts coaches so there are some sessions with 5 or 6 kids per coach rather than whole group or half the group.

Nets to be accessible outside of the weekday for practice sessions

more communication

I believe U10 and above the club should encourage kids take bit more serious and focused on training and matches

Keep it up!

Playing with better teams

more coaching sessions Friday nights seemed to have alot of kids and therefore the coaches were spread quite thinly

More coaches and/or break out sessions for to hone and practise game aspects.

Batting cages

Coaches/ helpers could run training sessions more professionally, by spending equall time with all colts and not favouring family members.

Train more

More matches at weekend

More Nets time, winter and summer

Events over the winter

More colt coaches
